Before the Industrial Tribunal (Shri H. D. Kainthla District and Sessions Judge, Solan Sessions Division) for the State of Himachal Pradesh Circuit at Solan.

CASE No. 112/78
Workmen ..Applicant.
Versus
The Management of Purolator Ltd. Parwanoo .. Respondents.

INDUSTRIAL DISPUTE REFERENCE

AWARD JUDGEMENT:

Parwanoo, situated on the gateway of Himachal Pradesh, is an Industrial township coming up with speed but yet in the infant stage. Quite a few industries are growing up but are having the usual teething trouble as well. Purolator India Ltd. Parwanoo, is one of such industrial units. In August-September, 1978 it had some trouble with its workers. There was strike in their factory for the usual demands for raise in wages and other benefits of service to the workmen.

2. This labour and management confrontation gave rise to a few criminal cases and departmental disciplinary proceedings against the workers. As a sequel to this labour trouble this industrial dispute reference came to be made to this Tribunal by the State Government of Himachal Pradesh vide its notification No. 8-33/78-Shram, dated Simla-2, the 4th October, 1978.

3. The matters specified for adjudication are as under:—

Whether the following demands of the workmen are justified, if so, to what relief they are entitled ?

- (i) Increase of wages.
- (ii) House rent allowance.
- (iii) Uniforms/washing allowance/Night allowance.
- (iv) Transport facility.
- (v) Medical facilities.

Whether the strike of the workmen is legal or illegal and what direction are necessary in this respect?

Whether any victimization has been made by the management, if so, what direction are necessary in this behalf?

4. After the receipt of this reference in October, 1978 the parties were summoned and the workmen were called upon to put in their detailed claim petition. Such a petition dated 28-12-1978 signed by Shri Hem Raj Sharma as a representative for workmen (H.P., E.E. Union Parwanoo Branch) had been filed. Its copy was given to the respondents/management on 2-5-79. But before that the management had made a new year gift offer to the workmen evidenced by settlement dated 1-1-1979 duly registered and ratified by the worker. It had been sent to the Tribunal some-time in January, 1979 but came to be formally noticed during the proceedings of the case on 11-5-79 when a few suspended workers of the respondents alleged that they have not joined any such compromise and others had been made to sign the compromise under undue influence. Formal objections to the compromise settlement were lodged by these workmen on 23-6-1979 and on 7-7-79 i.e. S/Shri Kewal Krishan, Sant Ram, Daljit Singh, Mansha Ram, Partap Singh and Rattan Bhardwaj.

5. The respondents put in the written statement to the claim petition of the workmen dated 28-12-78 on 11-5-79 challenging the *locus-standi* of Shri Hem Raj Sharma to represent the workers. The existence of Parwanoo Branch of Himachal Pradesh Employees Union was not admitted. On merits it was stated that settlement having been arrived at and filed before the Tribunal, no dispute remain to be adjudicated and

reference may be disposed on in terms of the settlement. The charge of victimisation was questioned on the ground of vagueness and relating to acts or events after the reference had been made which cannot be covered by the reference terms.

6. In view of the settlement arrived at and pleadings in the case the following preliminary issues were framed with a view to settle the controversy between the parties:—

1. Whether the statement of claim dated 28-12-1978 filed on behalf of workmen of Purolator India Ltd. Parwanoo is valid being made through proper representatives of the said workers. OPP.
2. What is the effect of the settlement on this dispute under reference. OPR.
3. Whether the settlement dated 1-1-79 is neither justifiable nor legal, if so, to what effect. OPP.
4. Is the term of reference in respect of victimisation vague and if so, what is its effect. OPR.
5. Whether the victimisation referred to in the statement of claims dated 28-12-1978 at page 5 cannot be covered by the terms of reference being after the reference. If so, to what effect. OPR.

FINDING ON THE ISSUES ISSUE NO. 1

7. There are apparently two factions in the workers of the Purolator India Ltd. The majority of the workmen of M/s Purolator India Ltd. are members of "Purolator Workers Union Parwanoo" while a minority of the workers are members of Himachal Pradesh Industrial Employees Union Parwanoo Branch. The office-holders of the latter union are S/Shri Hem Raj, Ram Swarup, Gian Chand and Amar Nath, while those of the former i.e. "Purolator Workers Union Parwanoo" are Shri Dhanpat Rai Chopra, Miss Kamaljeet Kaur, Miss Aruna Thakur and Baldev Raj.

8. These two factions have been laying claim to represent the majority of the workers and have been putting lists of workers with signatures being the members of their respective unions on 11-5-1979 the eight representatives of the "Purolator Workers Union" while supporting settlement arrived at with the management have put in authority letter on behalf of 110 workers. On the other hand Himachal Pradesh Industrial Employees Union Branch Parwanoo claimed to represent 57 workers of the respondent.

9. There is no proper proof of Shri Hem Raj Sharma being the President of Parwanoo Branch of Himachal Pradesh Industrial Employees Union or other office bears like S/Shri Ram Swarup, Gian Chand and Amar Nath. Any how for the purpose of determining reference matter in the instant case this technicality of proper representation of the workers is not of much significance. Therefore, this issue is of no vital importance to the case.

ISSUE NO. 2&3

10. The applicants examined Shri Daljit Singh (PW1) only while on respondents side S/Shri Baldev Raj and Deep Singh Gujral (RW1) and 2) came to be examined in evidence. Besides this formal evidence examined after the framing of the issues, the respondents had taken care to examine 4 representatives workmen. Shri D.R. Chopra, Miss Kamaljeet Kaur, Shri Baldev Raj and Miss Aruna Thakur, on 11-5-79 support the genuineness and due execution of the settlement marked R/2.

11. Ex. R/2 dated 1-1-79 is the settlement arrived at between the workmen and the management with regard to the Industrial Dispute pending adjudication. It provides for payment of bonus at the rate of 20% of the wages for the year 1977-78 provisions for confirmation of workers to be done retrospectively and special increase of Rs. 20 in wages of such confirmed employees was also made. This raise of 20 will be availed by all workers on their confirmation. Provisions for uniform and canteen arrangement facility were also conceded by the management. It has been executed by the 8 representatives of the workmen and the management representatives in presence of the witnesses. Confirmation list of the workers dated 5-12-1978 is also attached to the settlement.

12. Ex. R.1 is the authority letter in favour of 8 representative workmen for negotiating settlement with the management on behalf of 110 workers.

13. Ex. R.3 is the settlement registration certificate, of the Conciliation Officer Solan district, dated 20-1-1979.

14. Ex. R. 4 is the document of ratification of the settlement on the part of the body of the workers numbering more than 100. It is dated 3-1-1979.

15. The settlement Ex. R/2 stands duly proved by the evidence of S/Shri Baldev Raj and Deep Singh Gujral (RW 1 and 2) besides other workmen Shri D.R. Chopra, Kamaljeet Kaur and Miss Aruna Thakur. As against this evidence only Shri Daljit Singh PW1 came to state that the settlement was not executed under pressure and signatures were obtained on the threat of dismissal from service. There is no second worker to appear in the witness-box to support him. He even admits to have received the benefits of confirmation and pay raise under the settlement. Even in writing only 6 employees who are suspended workers came forward on 7-7-1979 per writing marked 'Z' and Lateron 14-7-79 per writing marked 'ZZ', 16 workers disowned the agreement. They did not care and dare to enter the witness-box. This belated and lukewarm denial of the settlement does not diminish its value and genuineness. Under section 19(1 & 2) of Industrial Dispute Act this settlement is to continue till the agreed period of three years and cannot be disowned after six months as is being done by a very few workers, in an half hearted manner.

16. Shri Daljit Singh (PW1) was Organising Secretary of Purolator Workers Union, he resigned from the said Union only a month earlier to making this statement. This shows that he was won over the other side. Although, he accepts the execution of the settlement and his signatures thereon, but he wants this court to believe that this settlement was executed under pressure. There is not a word to show that who executed the pressure on him. No name of any officer has been mentioned. The statement is vague in the extreme.

17. He has produced a latter exhibit PW-1/A stating that now the workers met 3-4 days back and signed exhibit PW-1/A that the agreement was not with their consent or that at the time of signatures they were threatened. During the cross-examination he admitted that neither he nor any other worker did object for obtaining signatures. Also that no report to that effect was made to the police or the Labour Department. It is surprising that the settlement was arrived at on 1-1-79 and this statement has been made by the witness on 23-6-79. During this period he admits that he or any other worker did not make any complaint and rather received the benefit accruing under the settlement.

18. He admitted the signatures on the authority letter R-1 at portion marked 'A'. He also admitted the signature on agreement R/2 at 'B'. When confronted with exhibit PW-1/A that if he had resigned as Organising Secretary of the Purolator Workers Union, then why did he remove letter pad of that Union to write application Ex-PW-1.A. He stated that the form was lying with him since earlier to that. Apparently he misused the Union name pad to create a fake letter. He admitted that before resigning from Purolator Workers Union, he never made any complaint to the management about the settlement or obtaining signatures under pressure. He also admits that he was not on strike. Therefore, he was not a party with the striking workmen. It further shows that a settlement was arrived at by the workmen after joining hands both by the strikers and non-strikers. He further states that by the agreement the management has agreed to confirm the workers by counting training and he was accordingly confirmed w.e.f. 16-11-1978. If there was no settlement and his signatures were obtained under duress how he could give the detailed terms of the settlement. He also accepted confirmation on 16-11-78 as per settlement.

19. In the examination in chief, he states that the workers were required to sign some typed material saying

that Rs.20 increase is being given to them, but in the cross examination he stated that other workers and representatives had also signed in his presence such blank papers which lateron were said to be containing some settlement. He admits that Miss Kawaljit Kaur, D.R. Chopra and Baldev Raj had signed in his presence. Now Kawaljit Kaur and D.R. Chopra have made statement that the settlement was arrived at with the management and they have signed the settlement. None of them has said that it was under duress or deception. He is a witness who cannot be believed on face value.

20. At the most about six workmen have shown their non-participation in negotiating the settlement and another sixteen expressed their intention to disown the settlement without leading any evidence, in that behalf. Even if for argument sake they are taken to have not agreed and re-conciled to the settlement out of the whole body of more than 150 workers of the respondents Industrial Unit at Parwanoo, this court has to see as to what is the effect of the settlement admittedly executed by an absolute majority of even 100 workers. Should the reference proceed further in face of such an agreed settlement.

21. An adjudication under the Industrial Dispute Act is meant for bringing Industrial peace. This is the entire purpose to be achieved through the elaborate machinery contemplated under the Industrial Dispute Act. Only a few workers cannot frustrate the decision of a big majority and the industrial peace cannot be allowed remain disturbed for long and jeopardised. In fact a very small faction of the workers cannot give rise to a dispute which is of a general nature and collective bargaining holds the filed.

22. The Hon'ble Supreme Court in 1965 (Vol. II) LJ-110 in case Amalgamated Coffee Estate versus their Workmen and others; had considered almost such a situation. In view of the dispute between the parties about the settlement, the supreme Court framed as issue, in the following terms and held as follows further:—

"In view of the fact that admittedly a large number of workmen employed by the appellants have accepted payments consistently with the terms of the agreements set up by the employers in their present petition, is it shown by the respondents that the said agreement is not valid and binding on them?"

The industrial tribunal Madras, thereafter went into the issue which this court sent down for decision and its finding is that in every estate payments were made in terms of the Madras settlement and such payments were voluntarily and knowingly accepted by the workmen. It has also come to the conclusion that the settlement was a fair settlement having regard to the basic facts of the dispute between the parties. Finally the tribunal held that Silver Cluoud Estate which is the appellant in appeal No. 543 was not party to the settlement.

The settlement appears to us also to be a fair one. We are, therefore, of opinion that the two appeals should be decided in accordance with the settlement. Even those estates which were not parties to the settlement are prepared to abide by it. We think that in the interest of uniformity and industrial peace the settlement should bind all estates which were represented before the special tribunal.

We therefore, order that the two appeals be decided in accordance with the settlement."

23. On similar lines are other authorities of the Hon'ble Supreme Court i.e. 1963 (Vol-II) LJ 647 and (1979) 54 FJR-259 New Standard Eng. Co. Ltd., Vrs. ML. Abeyhan- kar and others.

24. On the basis of the settlement, all the workmen except 7 under suspension, have resumed duties and received benefits thereunder. Except Shri Daljit Singh, not a single worker from the factory has appeared to

attack and disown the settlement, being not justified or not legal in any manner. On the other hand, the management has properly proved that the settlement has been arrived at with almost all the workmen and ratified by them which has also been implemented. The implementation of the agreement has been accepted even by Shri Daljit Singh (RWI).

25. Therefore, from the above facts seen in the light of law it is evident that these two issues are held for the respondents that the reference made, stands settled per settlement dated 1-1-1979 *Ex. R/2* which was arrived at and accepted in a legal manner and is justifiable in the circumstances of the case.

ISSUES NO. 4 & 5

26. Regarding victimisation there is no evidence led on the file. The allegations of suspension and starting of disciplinary proceedings against some workers on 6-10-1978 or thereafter, i.e. after the reference, as made in the claim petition dated 28-12-1978 are not covered by this reference matter. Moreover taking disciplinary action, calling for suspension, in itself without anything more will not mean victimisation. So these issues are held in the affirmative and go in favour of the respondent. No victimisation has been proved at all.

27. For the above findings on the issues, the conclusion is clear that this industrial dispute reference stands settled in terms of the settlement *Ex. R/2* dated 1-1-1979 between the parties and is answered accordingly.

28. The terms settled between the parties are as under:—

1. The management agrees, purely as a gesture of good will, to pay bonus all the workmen at the rate of 20% of the wages earned during the year, 1977-78 who are eligible under the payment of Bonus Act.
2. It is agreed by the workmen that the initial training of 18 months of an entrant is absolutely necessary before a workmen can be absorbed on regular basis. However, in view of the degree of technical skill required at present the following concessions in the training period of various categories of workmen have been mutually agreed:—
 1. *Matriculates*.—Shall be entitled to a concession of three months (3 months).
 2. *Ex-Servicemen*.—Shall be entitled to a concession of six months (6 months).
 3. *ITI Pass*.—Shall be entitled to a concession of eight months (8 months).

The management as a special case has agreed that those who have joined this Company earlier than 1-9-1978 and are matriculates and are on rolls of the company on date shall be given a credit in the training period i.e. 6 months and shall undergo training for 12 months.

- 3(a) After scrutinising the case of each workers under the clause 2(a) and (b) it is agreed that the workmen as per list enclosed as per annexure 'A' shall be confirmed retrospectively, with effect from the date mentioned against each, it is further agreed that all these workmen shall also be given a special increase of Rs. 20 per month in their wages.
- (b) Arrears wherever applicable shall be paid within 30 days from the date of settlement.
- (c) The similar raise of Rs. 20 shall also be applicable to all workmen on their respective confirmation hereinafter.
4. It is agreed that the process of working in the factory is not such that spoils or soils the clothing of the workmen and, therefore, the workmen are not entitled to any Uniform. However, the management as a gesture of goodwill has agreed to issue two sets of cotton uniforms (Shirts and trouser to male workers and ladies coats to women workers) in the month of Oct., every year. Those workmen who do not complete three months service/training in the months of October,

will be issued uniform on their completing three months duration.

5. The workmen agree that the present arrangement of free medical consultation through the whole time medical officer appointed by the company and the first aid treatment given is an adequate facility.
6. The workmen have understood that as per factories Act the Management is under no obligation to provide any canteen facilities but in order to facilitate the workmen the management has agreed that canteen facilities will be further improved.
7. It is agreed that management has already provided suitable separate toilets for men and women. The management further assures to provide more toilets in the due course, as and when necessary.
8. It is agreed that workmen who have been confirmed vide this settlement or confirmation hereinafter will be fitted in the revised wage structure (with effect 1-1-79) as notified on the board.
9. It is also made clear that the annual increment shall not be automatic. But shall depend upon a written order made by the Manager taking into consideration merits of each workmen based upon periodic appraisal as per existing practice, such as regularity in attendance, keenness in achieving targets, maintenance of discipline, cleanliness and co-operation with workers and officers etc.

In consideration of the above concession which the workmen gratefully acknowledge, the workmen have unconditionally withdrawn as settled all the demands like transport, house rent allowance, washing allowance, shift allowance etc. as contained in their demand notice. The workmen further undertakes not to raise any demand causing any financial burden on the management directly or indirectly whether covered or not covered by this settlement during the currency of the settlement which is fixed as three years and undertake not to resort to any agitational approach including slow down tactics and strike or demonstration during the said period.

29. As regards the legality or illegality of the strike, no grievances was made by either party on this score, before this tribunal in their pleading or otherwise. So no directions are needed in that behalf.

30. Similarly regarding victimization, no direction or relief is called for. The allegations in case of a few individual workers by way of dismissal from service or disciplinary proceedings taken against a few other remained unsubstantiated as held under issue No. 4 and 5 above. Some of these individual cases of disciplinary actions have also been separately dealt with by this Tribunal in the proceedings moved respectively by the workmen as well as the management, under various provisions of the Industrial Dispute Act. Those cases stand concluded and orders on merits passed or are being passed.

31. In the circumstances of the case the parties are to bear there respective costs incurred in this case.

File be sent to the Secretary Labour Department, Himachal Pradesh, Government for further action under section 17 of the Industrial Dispute Act. Announced.
